4 3 immediate importance, takes effect upon enactment.

4 4 EXPLANATION

4 5 This bill primarily makes changes relative to horses
4 6 involved in horse racing.

4 7 The bill provides that certain drug tests currently
4 8 required to be conducted on horses that suffer a breakdown on
4 9 the racetrack are discretionary and no longer mandatory. The
4 10 bill also provides that when practical, blood and urine
4 11 samples should be obtained prior to euthanasia of a horse.

4 12 The bill increases the maximum allowable concentration of
4 13 phenylbutazone per milliliter of blood in a horse from two
4 14 point two micrograms of the substance to five micrograms.

4 15 The bill also modifies the definition of a bleeder for
4 16 purposes of determining whether a horse can be given certain
4 17 drugs. The bill provides that a horse can be determined to be
4 18 a bleeder if any licensed practicing veterinarian observes
4 19 bleeding. Current law only allows this determination if
4 20 bleeding is observed by a racing and gaming commission
4 21 veterinarian or designee. In addition, the bill provides that
4 22 a horse can be determined to be a bleeder if the horse has
4 23 furosemide listed on its most recent performance or is
4 24 prescribed furosemide to control bleeding by a veterinarian.

4 25 The bill eliminates the provision that the placing of a
4 26 horse in a race cannot be affected even if the racing and
4 27 gaming commission assesses a civil penalty for excessive

4 28 concentrations of phenylbutazone in the system of the horse.
4 29 The bill modifies the acceptable dose level of furosemide
4 30 that can be administered to a horse prior to a race. The bill
4 31 provides that furosemide shall only be administered in a dose
4 32 of no less than 150 milligrams and no more than 500
4 33 milligrams. Current law sets the dose level at 250
4 34 milligrams.
4 35 The bill also amends Code section 99F.6 to provide that the
5 1 administrator of the racing and gaming commission, and not the
5 2 secretary, has the authority under that Code section.
5 3 The bill takes effect upon enactment.
